WELCOME

A hearty welcome! We're there for you all year round.

Enjoy the rustic yet elegant ambience of our comfortable accommodations. Our numerous room categories offer something for every taste and occasion.

Elegant, romantic or creative – our culinary offerings truly know no boundaries.
Our neighbouring Landgasthof Marschall country pub combines the rustic,
lively atmosphere of a traditional inn with the professional standard
of a superior 4-star establishment.

Dive in – Take a break – Relax.
Enjoy the Schwarzbrennquelle, our over 1300 m² wellness area.

Find peace, harmony, and contentment in
Christine's World of Beauty – where you are the centre of attention.

Do something good for your body in our 850 m² fitness centre. Work out with the most modern equipment, fitness programmes, and support from competent fitness trainers. Take advantage of our new diagnostic centre, where you can receive athletic health assessments under professional medical supervision.

The majestic Alps, picturesque alpine pastures, fresh spring water and crisp, fresh mountain air – take a deep breath and recharge your batteries. Our wellness hotel lies at the feet of the Alpenpark Karwendel nature preserve and is a popular departure point for hiking, bicycle und mountain bike tours of all kinds.

Hey kids! Do you know how much there is to do here?

Discover a winter wonderland: on foot, in snowshoes, on downhill or cross-country skis, snowboard or sled...
HIT: The T-bar and baby lifts behind the hotel are available to all hotel guests for free.

Pure action is guaranteed in winter in our Stanser Funpark – free use for all hotel guests.

Attention 4 – 12 year-olds! Certified ski instructors are waiting for you with 6-day ski lessons including all equipment. Join in the fun on the slopes...
